Observer

A new technology has been introduced to the market – *The Lifetimer!*

Have a close look: what is happening during the discussion?

- Who is in favor of the technology, who isn't?
- Which arguments are used to promote the technology, which concerns are raised?
- Which dynamic can you observe in the discussion around the technology?

Observer

The
Lifetimer 

Observer

More and more people started using the new technology.

Have a close look: what do you see during the graduation party?

- Who interacts with each other, e.g., look at technology-users vs. non-users?
- Which role does the technology play in (non-verbal) communication?
- Which dynamics do you observe in the group?

Observer

The
Lifetimer

Observer

The Lifetimer has become an integral part of society.

Have a close look: what can you observe during the reunion?

- What has changed compared to the previous round?
- Which emotions can you detect?
- How does the dynamic change after the announcement of the prime minister?
